FOOD SECURITY CLUSTER

Although food insecurity remains in some ways the same, - according to recent findings, 1.1M people are still in need of assistance- the situation has ameliorated, which means that there is an opportunity for mix approaches: partners to continue GFD for the extremely most vulnerable and Assets construction/rehabilitation in emergency context with communities and local authorities. The targeting criteria is being revised again by partners to adapt to the changing needs on the ground. The FSC is in process of elaborating the Transition Plan in terms of handing over

UNICEF

To facilitate safe access to education for all children, **UNICEF signed a Memorandum of Understanding with education departments of Dnipropetrovsk and Donetsk regional administrations.**

Collaboration will include improvement of education infrastructure and creating child-friendly learning and development environment, provision of education supplies, furniture, sports equipment to schools and kindergartens, etc. With financial support from Germany through KfW bank, the project is aimed at strengthening social cohesion and integration of IDPs in five eastern regions of Ukraine – Kharkiv, Dnipropetrovsk, Zaporizhia and government-controlled areas of Donetsk and Luhansk. Sports equipment has already arrived to first schools in the programme in Dnipro and Sloviansk.

FAO

June 14-15, 2016. FAO organized two multistakeholder Work Group Sessions on implementation of humanitarian projects in the Eastern Ukraine, held in Severodonetsk and Kramatorsk cities. Participants of the sessions included representatives of local authorities, agricultural specialists, local advisory services and agricultural associations. The following topics were covered during the discussions: challenges and opportunities for development of the smallholder farmers in the oblasts; challenges and opportunities to assist rural communities residing in the conflict area; and practical models for provision of agricultural assistance. The workshops resulted in outlining the scope of work for implementation of the agricultural programs. Working groups were established for periodic revisions.

UN Women

National consultations on gender mainstreaming into the process of SDG localization was organized by UN Women in partnership with the Ministry of Social Policy on 29 June 2016 in Kyiv with participation of gender experts from the Government, women's civil society organizations and development. Common vision of promotion of gender agenda of SDGs was elaborated and joint advocacy efforts in this area planned.
